Step 1

Go to the App Store on your iPhone. Search for Bennington College Alumni and download the app. Unfortunately, the app is only currently available for iOS systems. The android version of the app should be available soon!

Step 2

Create an account. You can do this two ways:

- 1) Login through your LinkedIn account.
- 2) Create an account with your name, email and password.

If the email you use to make an account is in our database, your account will automatically be approved. If you make an account with an email that is not in our database it will take one to three business days for your account to be approved.

Update Your Profile

Check the information in your account! Sometimes our database has old information. Not only is the app a tool for you to connect to other alumni, it is also a tool for alumni to connect to you and you want to make sure your information is correct. At the bottom of your profile page you will see 'Update this profile'. This will lead you to a page where you can write us a message of suggested updates. You can also ask for us to remove information. Let us know if there is a phone number, email or address you don't want made public.

Search for Alumni

Go to Alumni Nearby. While the app will automatically show the alumni in your current geographic location, you can also enter a city name or zip code. You can open 'List' to see a full list of alumni in that region.

Use the Alumni Directory

Go to the Directory. There you can search for friends or old classmates using their full name. You can also search using 'filter.' Here, you can choose class year, current industry, location and more to find specific lists of alumni.

Networking Tips!

If you link your account to LinkedIn you can see the common connections between you and other alumni. Ask one of your common connections to make an e-introduction.

If you have found an alum you want to contact but don't see any contact information email alumnirelations@bennington.edu and we can try to help.
