How to Reserve Campus Event Spaces

During non-term time, the Conference Services Coordinator is responsible for all campus spaces and should be contacted at 440-4586 with any requests.

When the College is in session, space requests for particular campus spaces are tracked by the Contacts listed below. To reserve one of these spaces during term:

1. **Complete the Bennington College Space Request form** (see reverse side)
2. **Note any technical needs** such as lighting, sound, risers, etc.
Depending upon the event sponsor, technical needs may be accommodated by College Technical Support staff and/or students under their supervision. Technical support for social events (PAC, etc.) and independent student projects is only minimally available. For these events, a list of trained students who can volunteer/be hired at the event sponsor's expense will be provided to the event sponsor. Final approval will only be given when the event sponsor provides the name(s) of the student(s) responsible for meeting these technical needs.
3. **Submit completed form (in paper or e-mail format) to the appropriate Contact**
Incomplete forms and requests over the phone cannot be accepted. A request for each event must be filed separately.
4. **Allow a week to 10 days for a response**
 - VAPA performing arts space requests are forwarded to Michael Giannitti, Production Manager, for review.
 - All other space requests may require further review of appropriate faculty and staff, especially if the nature and timing of the event is complicated.

IMPORTANT:

- **Video and Sound Requests:** Submit to Media Services, 440-4323, mediaservices@bennington.edu.
- **Space Cleaning and Chair Requests:** Work orders for setting up chairs or cleaning the event space must be submitted to Angel Brownell Kwasniak, Buildings & Grounds – Operations Manager & Conference Services Coordinator, 440-4586, akwasniak@bennington.edu.
