This is an official notice of withdrawal from Bennington College. If the College is in session, you must meet with an Academic Services staff member before leaving Bennington (and the Financial Aid Office, if applicable). If you wish to apply for readmission at some time in the future, you must do so in writing to the Provost and Dean's Office by April 1 for re-entry in the following fall term and by October 1 for reentry in the following spring term. Re-entry after withdrawal is at the sole discretion of the College.

I understand that there will be a transcript evaluation charge per term payable if I return to Bennington College and if I take classes while away and credit is transferred.
